WHY CHOOSE BRIVIA?

We are a real estate development company driven to push the limits of our profession through the continuous development of innovative projects in high quality urban environments.

At Brivia Group, we focus on **integrity**, **transparency** and **accountability**. We are constantly seeking to improve and create innovative, visionary and high-quality projects.

Our mission is to develop real estate projects that meet the highest quality standards, while meeting the expectations of investors, partners and communities supporting our projects.

We subscribe to the principles of equal employment access that promote a diversified, inclusive and accessible workplace.

About Brivia:

Founded in Montreal, Quebec in 2000, Brivia Group is a Canadian real estate development and investment group with a growing portfolio of residential and mixed-use projects in the region. Led by its Founder, President and CEO Mr. Kheng Ly, Brivia has successfully completed many projects that signify innovation, expertise and competence.

Among projects developed by Brivia Group is the award-winning YUL Condominiums project in downtown Montreal, a major residential project that contributes to the effervescence of the real estate in the city and revitalizes the neighbourhood with the beauty of its structure.

Brivia Group's subsidiary, Brivia Management, is an integrated, professional services firm specialized in development management. Other key projects include 1 Phillip Square, Quinzecent, Stanbrooke, and Nest Condos.
